I agree to comply with all laws, regulations and by-laws agreements registered against the land and all instructions and specifications of the district and Municipality applicable to the work, and understand that the issuance of a permit does not relieve against having to comply with all such laws, regulations, by-laws, agreements, instruction and specifications. The plans correctly show the work applied for, the dimensions and area of the land and the location of the building or structure in relation to the boundaries of the land. I agree that any building or other structure provided for in this application will be in accordance with the plans, wholly within the boundaries of the land and meet all zoning by-law requirements. I also agree to indemnify the Municipality and District against all claims, demands, liabilities, damages, costs, expenses, actions and causes of action of every kind in respect of anything done or not done in connection with this application or the work.
